CSI Fresno presents:

Emerging Lighting Technology: Are LED's Here to Stay?

Presented by Ron Naus, *B-K Lighting & Teka Illumination*

Join CSI Fresno for our March Members Meeting as Ron Naus, Executive Vice President of B-K Lighting + Teka Illumination discusses solid state lighting and its impact on the California construction market. The presentation includes a tour of the B-K Lighting facilities in Madera.

Additional discussion points include:

- LED Technology Review
- Using Solid State Lighting
- Evaluating "Long Life" Claims
- Green Manufacturing Practices
- Standards & Regulations
- Title 24 and Federal Legislation

Ron Naus is a California native and 20+ year member of the lighting industry. Prior to joining B-K Lighting as its Executive Vice President, Ron was a partner of Silver State Lighting in Las Vegas. While with Silver State, Ron worked on numerous award winning projects such as The Monte Carlo, Paris, New York-New York, The Flamingo Hilton, and The Bellagio Resorts.

Ron is a member of the Illuminating Engineering Society of North America. He also serves on the Board of Directors for the International Association of Lighting Designers (IALD) Education Trust and is B-K Lighting's corporate representative to the United States Green Building Council (USGBC), the American Society of Landscape Architects (ASLA), The International Dark Sky Association (IDA) and the Lighting Industry Resource Council (LIRC).
