## TENAYA LODGE

AT YOSEMITE

Yosemite's autumn is a feast for the senses. As the warmth of summer gives way to cooler days, nature spices the crisp pure air providing clear Sierra vistas and the best weather of the year.

Yosemite National Park is incomparable: meadows turn flaxen, wildlife returns to the valley, and trees sport their vibrant fall colors, which go aglow with the occasional late-season dusting of snow. Join us in the heart of fall's foliage and the wilderness beauty surrounding Tenaya Lodge as we focus on "Forces for Change".
